CIA HISTORICAL REVIEW PROGRAM

MEMORANDUM FOR: Chief, Information and Privacy Staff

FROM : Charles A. Briggs
Chief, Services Staff

SUBJECT : Weisberg Request for Information on Martin Luther King, Jr. and James Earl Ray

REFERENCE : F 76-382

Our review of documents responsive to this request is nearing completion. Two issues should be resolved before any documents are sent to Weisberg. First, OGC should provide written guidance regarding what, if any privacy rights King and Ray retain. Second, Weisberg should pay the CIA search and copy expenses in advance. The DDO costs are summarized on the attached Form 3533.
